

SCORETo obtain your composite score, use this method:  $1.13 \times \text{multiple choice raw score} = \text{weighted multiple-choice score (do not round)}$  $2.73 \times \text{free response raw score} = \text{weighted free response score (do not round)}$  Now, add the two weighted sections together and round to the nearest whole number. The result is your total composite score. See the range within which your score falls on this table to approximate your final grade: AP Grade / Composite Score Range 5 / 114-1804 / 91-1133 / 74-902 / 49-731 / 0-48 These overall scores are interpreted as follows: 5-extremely well qualified; 4-well qualified; 3-qualified, 2-possibly qualified; and 1-no recommendation. Most colleges grant students who earn a 3 or better either college credit or advanced placement. Check with your high school's guidance office about specific requirements. CONTACTING THE AP PROGRAMProspective examinees should download from the College Entrance Examination Board's Website or request by phone the free bulletin offering a general description of the AP Program, including policies and procedures as well as instructions on how to register for the AP Examination in United States History. Here's how to contact the College Board: Advanced Placement ProgramDept. E-22P.O. Box 6670Princeton, NJ 08541-6670Phone: (609) 771-7300Website: <http://www.collegeboard.com/ap>
