For the New 2020 Exam! AP® Psychology Crash Course® A Higher Score in Less Time! At REA, we invented the quick-review study guide for AP® exams. A decade later, REA's Crash Course® remains the top choice for AP® students who want to make the most of their study time and earn a high score. Here's why more AP® teachers and students turn to REA's AP® Psychology Crash Course®: Targeted Review - Study Only What You Need to Know. REA's all-new 3rd edition addresses all the latest test revisions taking effect through 2020. Our Crash Course® is based on an in-depth analysis of the revised AP® Psychology course description outline and sample AP® test questions. We cover only the information tested on the exam, so you can make the most of your valuable study time. Expert Test-taking Strategies and Advice. Written by a veteran AP® Psychology teacher, the book gives you the topics and critical context that will matter most on exam day. Crash Course® relies on the author's extensive analysis of the test's structure and content. By following his advice, you can boost your score. Practice questions – a mini-test in the book, a full-length exam online. Are you ready for your exam? Try our focused practice set inside the book. Then go online to take our full-length practice exam. You'll get the benefits of timed testing, detailed answers, and automatic scoring that pinpoints your performance based on the official AP® exam topics – so you'll be confident on test day. When it's crucial crunch time and your Advanced Placement® exam is just around the corner, you need REA's Crash Course for AP® Psychology! About the Author Larry Krieger earned a B.A. in Psychology from the University of North Carolina at Chapel Hill and an M.S. from Wake Forest University. In a career spanning more than 40 years, Mr. Krieger has taught a variety of AP® subjects. His popular courses were renowned for their energetic presentations, commitment to scholarship, and helping students achieve high AP® exam scores. All of Mr. Krieger's students scored above a 3 on their AP® exams, with most students scoring a 4 or a 5. In 2004 and 2005, the College Board recognized Mr. Krieger as one of the nation's foremost AP® teachers. Mr. Krieger's success has extended far beyond the classroom. He has written several history textbooks and is a co-author of REA's Art History AP® test preparation guide. His latest venture, the AP® Crash Course® series, helps students strategically and effectively prepare for their AP® exams.

PSYCHOLOGY: THEMES AND VARIATIONS, 10th Edition, helps you experience the excitement of this fascinating field, while helping you study and retain what you learn. Filled with practical ways that you can apply psychology to your everyday life, this best-selling textbook is an experience in learning that you'll remember long after you complete your introductory psychology course. Critical Thinking Applications in every chapter give you specific critical thinking strategies you can apply in all of your courses and in your personal life. Reality Checks, many of which may surprise you, address common misconceptions about psychology. Every chapter of this book offers tools -- such as Concept Charts that provide colorful visual snapshots of key points -- to help you focus on what's important, showing you how to study in ways that help you retain information and do your best on exams.

Psychology, 9th edition, by Bernstein et al. continues to strike a balance between classical and contemporary topics with a comprehensive, research-oriented approach. The text takes an active learning approach with the use of hallmark pedagogical features such as Linkages, Focus on Research Methods, and Thinking Critically. Features new to the print program include streamlined content, integration of Positive Psychology throughout the text (by Chris Peterson, University of Michigan), and optional four-color "Neuropsychology" and "Industrial/Organizational Psychology" chapters. Leading-edge technology enhancements to the program include static and interactive eBooks; upgraded Flash-enabled Netlabs, Web tutorials, and animations; interactive Concept Maps; Active Learning and Critical Thinking Booklets; and a new DVD entitled Revealing Psychology.

This work has been selected by scholars as being culturally important and is part of the knowledge base of civilization as we know it. This work is in the public domain in the United States of America, and possibly other nations. Within the United States, you may freely copy and distribute this work, as no entity (individual or corporate) has a copyright on the body of the work. Scholars believe, and we concur, that this work is important enough to be preserved, reproduced, and made generally available to the public. To ensure a quality reading experience, this work has been proofread and republished using a format that seamlessly blends the original graphical elements with text in an easy-to-read typeface. We appreciate your support of the preservation process, and thank you for being an important part of keeping this knowledge alive and relevant.

Announcing a new Myers/DeWall text, created specifically for the Fall 2019 AP® course framework! You are likely familiar with the name Dr. David G. Myers. Now, he and his new co-author, Nathan DeWall, bring you a book that will allow you to use College Board's new Personal Progress Checks and Dashboard more effectively. This updated edition includes 100% of the new course content in the new nine-unit structure. All teacher and student resources will also be updated to correlate to the new student edition; this includes the TE, TRFD, TB, Strive, and LaunchPad. Everything will publish in summer 2020 such that you can use this new program for Fall 2020 classes. If you're not familiar with Myers/DeWall texts, you are in for a treat! Drs. Myers and DeWall share a passion for the teaching of psychological science through wit, humor, and the telling of poignant personal stories (individually identified in the text by the use of each author's initials [DM and ND]). Through close collaboration, these authors produce a unified voice that will teach, illuminate, and inspire your AP® students.
