On the morning of January 23, 1870, troops of the 2nd U.S. Cavalry attacked a Piegan Indian village on the Marias River in Montana Territory, killing many more than the army's count of 173, most of them women, children, and old men. The village was afflicted with smallpox. Worse, it was the wrong encampment. Intended as a retaliation against Mountain Chief's renegade band, the massacre sparked public outrage when news sources revealed that the battalion had attacked Heavy Runner's innocent village—and that guides had told its inebriated commander, Major Eugene Baker, he was on the wrong trail, but he struck anyway. Remembered as one of the most heinous incidents of the Indian Wars, the Baker Massacre has often been overshadowed by the better-known Battle of the Little Bighorn and has never received full treatment until now. Author Paul R. Wylie

plumbs the history of Euro-American involvement with the Piegans, who were members of the Blackfeet Confederacy. His research shows the tribe was trading furs for whiskey with the Hudson's Bay Company before Meriwether Lewis encountered them in 1806. As American fur traders and trappers moved into the region, the U.S. government soon followed, making treaties it did not honor. When the gold rush started in the 1860s and the U.S. Army arrived, pressure from Montana citizens to control the Piegans and make the territory safe led Generals William Tecumseh Sherman and Philip H. Sheridan to send Baker and the 2nd Cavalry, with tragic consequences. Although these generals sought to dictate press coverage thereafter, news of the cruelty of the killings appeared in the New York Times, which called the massacre "a more shocking affair than the sacking of Black Kettle's camp on the Washita" two years earlier. While other scholars have written about the Baker Massacre in related contexts, Blood on the Marias gives this infamous event the definitive treatment it deserves. Baker's inept command lit the spark of violence, but decades of tension between Piegans and whites set the stage for a brutal and too-often-forgotten incident.

In Casey's mind she is a twenty-something female, who is shocked to find she has reached her thirties whilst still unmarried. Feeling lucky to have good friends around her, Casey enjoys her single life and the attentions of more than one man.

## Get Free Blood On The Marias Online Services

With a good dose of raunchy fun and the complications that multiple men can bring, Casey's life is certainly interesting. The involvement of these men in her life provides much anticipation and excitement, as well as several thought provoking situations for Casey to deal with. It is Casey's experiences of friendship, loss, lust and worries, along with her dreams, which she decides to share in an Online Diary. In doing so, she captures the interest of someone who is able to influence great change in Casey's life, just at a point when a serious issue interrupts her progress.

History of the Micmac Indians of northeastern North America. Includes descriptions of traditional social and political systems but focuses primarily on the post-colonization period.

"Written during the last years of the Weimar Republic, the two novels collected here address the urgent problems of that age. Both Erich Maria Remarque (1898-1970) and Joseph Roth (1894-1939) served in World War I, Remarque with the German army and Roth with the Austrian. Their experiences would help define what Gertrude Stein referred to as the "Lost Generation." *All Quiet on the Western Front* is the testimony of a soldier who had become aware of how much he, and those of his generation who had survived, had been affected by the trauma of the Great War. For Joseph Roth, World War I had cost him his homeland and turned

him into a nomad. Job, in abridged form for The German Library, addresses the theme of Jewish identity in a newly mobilized society."--Jacket.

The perils of power... Keira Kelly has come into her full powers, and they are frighteningly strong, creating a distance between her and her human friends in her beloved Rio Seco. It is time to obey her great-great-grandmother Gigi's orders and rejoin her family in northwest Canada, where Keira can learn to handle her dangerous new skills. She'll have friends with her every step of the way -- her shapeshifter brother Tucker, his beloved Niko, and, to Keira's dismay, her cousin on her mother's side, Daffyd ap Geraint, the Sidhe prince who suddenly appeared in her life and now refuses to leave -- but her vampire lover Adam has insisted on staying in Texas. And while there are certainly perks to being Family, such as a private Learjet for the flight to Canada and a fabulous penthouse condo overlooking Vancouver, there are threats looming that nobody, not even Gigi, anticipated. Keira's Sidhe inheritance from her mother is far more important than anyone ever realized, and the fate of the Family may depend upon what she does next....

Hour (Poppy McGuire Mysteries #5) Springtime brings warm weather and murder to Sunset Ridge, and for Poppy, this particular case strikes close to home. Antiques dealer Marcus Tyne is found dead in the front seat of his friend's car outside of McGuire's after a Cinco de Mayo celebration, but at first glance, there's no reason why he's dead. Until the coroner finds out he's been poisoned. When a second man is poisoned, Poppy and Alex are thrust into a mystery that threatens to tear them apart. While they struggle to solve the case as their differences become more apparent, a murderer walks free in Sunset Ridge and may have another victim in their sights. The Witching Hour (Poppy McGuire Mysteries #6) In the middle of a late summertime heatwave, a woman Poppy interviewed for an article on paganism is found with a dagger buried in her chest in the woods out near Alex's house. Initially, Stephen and Craig are given the case, but when Derek determines that this murder shouldn't be their first big case together, Alex and Poppy are brought in to help. But Stephen has never liked Poppy, and tensions quickly begin to run high between the two sets of partners. The Sunset Ridge police force can't afford to have infighting if they want to solve this case before a fear of witches takes hold in town. It doesn't take long before everyone reaches their breaking point and Alex wonders if he will be a Sunset Ridge police officer for much longer. Life is about to change for him and Poppy, but will that change mean the end of his time in town? AND LOOK FOR THE FINAL POPPY McGUIRE MYSTERY, THE FINEST HOUR, AVAILABLE NOW! cozy mystery, female sleuth, amateur sleuth, mystery box set, mystery collection, small town, mystery, detective, amateur detective
