In data science,
a variable can
be categorized
into two types:

Continuous and
Categorical.

Continuous
variables are
those which can

Education Using
R

First you must

File Type PDF Data Science In

import your data into R. This typically means that you take data stored in a file, database, or web application programming interface (API), and load it into a data frame in R. If you can't get your data

into R, you
can't do data
science on it!
Once you've
imported your
data, it is a
good idea to
