Plato's famous dialogues frequently presented Socrates playing a leading role, and dialogue comes from the Greek roots dia- ("through" or "across") and -logue ("discourse" or "talk").

[Dialogue | Definition of Dialogue by Merriam-Webster](#)

Dialogue (sometimes spelled dialog in American English) is a written or spoken conversational exchange between two or more people, and a literary and theatrical form that depicts such an exchange. As a narrative, philosophical or didactic device, it is chiefly associated in the West with the Socratic dialogue as developed by Plato, but antecedents are also found in other traditions including ...

[Dialogue - Wikipedia](#)

A dialogue is a literary technique in which writers employ two or more characters to be engaged in conversation with one another. In literature, it is a conversational passage, or a spoken or written exchange of conversation in a group, or between two persons directed towards a particular subject.

[Dialogue - Examples and Definition of Dialogue](#)
