*Friday my Radio Flyer flew (Book, 2008) [WorldCat.org]*

Every "flew" represents a new double-page spread featuring the boy, then the boy and his dad, eyes closed, vrooming through the sky with the Radio Flyer. Pullen's artful oil paintings zoom in and out on the father and son in exaggerated, distorting perspectives, emphasizing the boy's expressive face and his dad in gleeful moments.

What do you do with an old red wagon? Well, that depends. If the wagon in question is a strust old Radio Flyer discovered while exploring the attic with your dad, and if you have a penchant for flying machines, then you may have just found the perfect way to get your dreams off the ground.

A father and son find an old Radio Flyer wagon when cleaning out the attic and, through the course of a week, turn it back into a wonderful toy.

A visual history of one of childhood's most beloved icons—the Little Red Wagon—told through a rich collection of photos and stories that highlight its unique place in American culture. For generations, the Radio Flyer—the fire engine red wagon with the distinctive white logo emblazoned on its side—has fueled the imaginative adventures of children, transforming them into astronauts on a rocket ship to the moon, racecar drivers in the Indy 500, and pioneers traveling into the badlands of the Wild West. The Radio Flyer is the story of childhood—a story of wondrous journeys often accompanied by someone important: a parent, a sibling, a friend, a pet. Since 1917, the family-owned business Radio Flyer Inc. has created this cherished wagon, building a legacy of high quality, timeless, and innovative toys that spark children's imaginations and inspire active play outdoors. With more than 100 million wagons sold—many of them passed down from generation to generation—Radio Flyers have carried, hauled, and fueled more hours of magical escapades than any other children's ride-on toy in America. This beautifully designed and illustrated keepsake book pays homage to this cultural touchstone as it celebrates its first centenary and embarks on its second. Packed with 250 exclusive full-color and black-and-white illustrations, stories, and original drawings from the Radio Flyer Inc. archives, Radio Flyer chronicles the history of this popular brand for the first time. Radio Flyer's story is America's story—a story of an enterprising Italian immigrant's dream realized, and a testament to the value and strength of

family ties. Including a host of tender reminiscences from fans across the country, this touching tribute is a special piece of childhood, and the perfect gift for everyone who's ever loved a Little Red Wagon.

"It's 1927, and ten-year-old George Henry Alexander is full of the joys of summer- long days, warm nights and baseball, especially the greatest player in the game- Babe Ruth the Bambino. When George's parents surprise him with tickets to a game between his beloved Yankees and their rivals, the Boston Red Sox, he couldn't be more excited. A real baseball game, and his first chance to see his hero in the flesh! But when the big day arrives, things don't quite go according to plan. On what is supposed to be the best afternoon of his young life, George finds himself doing the one thing no true Yankees fan should ever do. He's so low, he'd rather kiss a girl! How can he face his hero when he feels like the biggest traitor in the world? In this magical story that perfectly conjures 1920s New York and the nostalgia of childhood summers, an unexpected encounter shows George the value of never giving up."

Come with Jonathan on a journey as he sets out to discover what makes his heart full. Little Red Wagon centers around friendship and accepting one another's differences. With charming animal characters and captivating rhyme, it's a story that any child will adore!

The Little Red Wagon will resonate with people who remember a simpler time. When a child's imagination allowed them to play and explore the world around them. The magic of the little red wagon will inspire families to reconnect and enjoy the simple pleasures of play while disconnecting from the electronic world and reconnecting with their children.

Tommy Toomay is a small child in a family of hockey greats. When a fight ensues on the ice, the team has no choice but to play the small Tommy.

Tells the story of twenty-year-old amateur golfer Francis Ouimet and how he and his ten-year-old caddie stunned golf fans by beating two of the best players in the world in the 1913 U.S. Open.
