In this concluding volume, the author powerfully points out the principles involved in the impending conflict and how each person can stand firmly for God and His truth.

This is the Mentor's Guide for TUMI's Capstone Module 5 English course, Bible Interpretation, which is one of 16 modules in the Capstone Curriculum. This book is intended to be purchased by TUMI satellites, mentors, or site coordinators for use within a TUMI Satellite. The Quizzes, Final Exam, and Answer Keys for this module can be found on the TUMI Satellite Gateway (this is available to all approved TUMI satellites). The Urban Ministry Institute (TUMI) is a ministry of World Impact, Inc. TUMI Satellites are a part of the TUMI Network, where leaders are developed in the local church using TUMI's curriculum and training system. According to the clear testimony of the Scriptures themselves, God equips his representatives through the Spirit-breathed Word of God, the Scriptures. Everyone God calls into the ministry must determine to discipline themselves so as to master its contents, submit to its injunctions, and teach its truths. Like a workman (or work-woman) they must strive to handle the Word of truth accurately, and so be approved of the Lord in their study (2 Tim. 2.15). In this course we outline the need for biblical interpretation, and what is required to carry out this great task. We will explore both the divine and human dimensions of the Bible, and introduce an effective method of biblical interpretation designed to help you approach your study of Scripture so as to bridge the gap between our ancient and contemporary worlds. In addition, we highlight the importance of literary types in biblical interpretation, and explore the numerous kinds of solid scholarly reference tools available to us as we attempt to understand the meaning of a biblical text.
