Presents a general history of the cultural and social aspects of North American Indian people before the arrival of Europeans, in a book that also provides readers with instructions for creating such related craft projects as a headdress, a dance wand, and a lacrosse stick.

Discover the art of kogin, a style of traditional Japanese sashiko embroidery with modern appeal. Historically, kogin was used as a pattern darning technique to reinforce threadbare fabric and add warmth to the clothing worn by farmers in the villages of northern Japan. With dozens of beautiful and simple geometric patterns, kogin embroidery offers fresh inspiration and authentic technique to proponents of the decorative mending movement. Colorful photos offer step-by-step instruction for learning this simple counted thread embroidery technique. Beginners will discover how to prepare the thread and fabric, how to read kogin charts, and how to make the basic straight stitches that comprise kogin motifs. Once you've mastered the basics, try your hand at one of the 25 adorable and easy projects included in the book. Featuring bright and modern color schemes, these accessories are designed for contemporary life. You'll find an assortment of pretty brooches, barrettes and hair ties, pouches and coin purses, framed samplers, pincushions, and ornaments, plus potholders, coasters, and placemats for the home. Once you get started stitching, we guarantee you won't be able to stop!

Select tax issues: hearing before the Subcommittee on Select Revenue Measures of the Committee on Ways and Means, U.S. House of Representatives, One Hundred Eighth Congress, second session, September 23, 2004.

Comprehensive and issue-focused, *Sport in Canada: A History* is an engaging and thought-provoking investigation into the role of sports, games, and pastimes in Canadian life. This sweeping history emphasizes the sociocultural factors that inform current issues in sport, such as violence, injury, gender, and multiculturalism. Now in its fourth edition, this revitalized text guides students toward a deeper appreciation of the role sport has played in shaping our national identity.

A basic anthology of modern Korean literature.

"Twelve-year-old Jonathan is half-angel, half-demon, and the only one of his kind. But he has no idea of his true identity, and now a rogue archdemon wants him for his own sinister purpose"--

A young boy is worried about what will happen to his body when he hears such expressions as "I'm tongue-tied," "don't give me any of your lip," and "I put my foot in my mouth."

A fresh new e-book edition, focusing on the importance of collaboration between healthcare professionals and the community. The second e-book edition of *Child, Youth and Family Health* builds its focus on the importance of a collaborative partnership between healthcare professionals and members of the community. This approach is vital in supporting, maintaining and strengthening individual and community health across a range of contexts and life stages. *Child, Youth and Family Health 2e* e-book begins by discussing issues and challenges in child, youth and family health, before addressing contexts for nursing and midwifery, all of which helps readers apply theory to practice. This community healthcare textbook offers additional insight into the importance of the healthcare professional's role when working with children, young people and their families, and looks at practical approaches such as program development, supporting family transitions and mental health promotion. There are three new chapters: 'Communication with children,

young people and families – a family strengths-based approach’, ‘Acute illness: Care for the child and their family’ and ‘Health promotion through early childhood’ along with a range of clinical scenarios, research highlights, practice highlights and critical questions and reflections. Written by authors who are nurses, midwives, early childhood educators and academics, along with a respected team of contributors and editors, Child, Youth and Family Health 2e provides an engaging perspective on the fundamental challenges and issues affecting the health and wellness of infants, children, young people and their families in Australia and New Zealand. Clinical Scenarios integrated throughout to provide context for practice. Research highlights provide examples of the most recent research and evidence based practice. Practice highlights feature up-to-date examples of best practice, policies and procedures in Australia and New Zealand. Key Points summarise the main issues in each chapter. Critical questions and reflection feature at the end of each chapter as a tool for tutorials. Useful Resources provide weblinks for up-to-date data, statistics, organisations and programs. Extensive references provide for further reading and research. Chapter 5 ‘Communication with children, young people and families’ completely revised with a ‘family strengths’ approach. New Chapter 8 ‘Health promotion through early childhood’. New Chapter 9 ‘Acute illness: Care for the child and their family’. Completely revised and updated with current statistics and data. Inclusion of contemporary public health policy. Inclusion of contemporary legislative and regulatory frameworks for health professionals.
