Ironically, even though Val studies Courtship Rituals, she can't seem to find herself courted. Pursued by boys from the "old neighborhood" who promise to overlook the fact that she's so smart, she longs to meet someone who romances her mind as well as her heart.When Stratton helps Valeria with a financial problem, she is anxious to return the favor. But will Stratton, who needs Val's expertise to win Amy, find himself seducing Val instead?

And while love wasn't necessarily on Barrett's radar, he begins to realize thatEmily always has been. But will his take-no-prisoners boardroom tactics work on the heart of the woman he loves?
