So many of us desire freedom

decide to follow Jesus. The  
freedom from the burden of  
our sin, the need to be

Breaking Pride is an eBook  
based on one simple truth:  
In order to walk in God's  
grace we need to tear down  
the the walls of pride. A  
lot of believers, even

# File Type PDF Signal Grace Paperback

though saved by God's grace,  
are still walking in pride  
rather than walking in His  
grace. Knowing what pride is  
and learning to identify  
pride in your life is the  
first step to overcoming a  
life filled with pride.

# File Type PDF Signal Grace Paperback

Pride is rooted in fear and leads to anger, jealousy, and envy. Sin isn't keeping us from having a relationship with the Lord, it's our pride. So many of us long to have an authentic and REAL relationship with

# File Type PDF Signal Grace Paperback

the Lord, and we long to have the fruit of the spirit filled in our heart. Our desire is to achieve these fruits through will power. But we do not even realize that the pride that lives within our heart is what is

# File Type PDF Signal Grace Paperback

blocking the fruit of the spirit from living within us. In *Breaking Pride* you will learn to identify different areas of pride in your life. Filled with encouragement, *Breaking Pride* will take you through

# File Type PDF Signal Grace Paperback

a practical reading of what pride may look like in your life... Let's stop building walls of pride and start building the foundation of grace within our lives...

Are you a Catholic who no longer practices your faith?

# File Type PDF Signal Grace Paperback

Do you feel closed off from the church because of your political or lifestyle circumstances? In Archbishop Wynn Wagner's enlightening, supportive, and sometimes irreverent book, *Recovering Catholic: How to be Catholic*

without being Roman Catholic, you'll discover an entirely new way of looking at, and participating in, the Christian world you once loved. The author, who considers himself a recovering Catholic,

introduces us to the Old Catholic Church, where 100% is Catholic, and 0% is Roman Catholic. So what's missing? Dogma, unfair judgment, homophobia, racism, and levels of discrimination we prefer not to discuss

outside the church, and which the Roman Catholic clergy refuse to acknowledge inside the church. This book and this man will remind you about the joys that exist in a religion that loves and accepts. Amen to that!

Concerning chpt 34 Ezekiel  
God says that He will judge  
the Shepherds of the flocks,  
not only the rulers of  
Israel but all the leaders  
of the world. The Lord says  
- Ezekiel 34:3 "Ye eat the

fat, and ye clothe you with  
the wool, ye kill them that  
are fed: but ye feed not the  
flock. 4: The diseased have  
ye not strengthened, neither  
have ye healed that which  
was sick, neither have ye

broken, neither have ye  
sought again that which was  
driven away, neither have ye  
sought that which was lost;  
but with force & with  
cruelty have ye ruled them."  
That is the state of the  
leadership around the world,

# File Type PDF Signal Grace Paperback

but God is going to get rid of the evil shepherds & replace them with Jesus Christ. Concerning the flock, God is going to judge between the cattle, the fat sheep & the lean sheep. Some Christians have made it

# File Type PDF Signal Grace Paperback

harder for other people to enter the faith, especially the Right Wing of the U.S.A. They hate and are xenophobic, yet they say they are Christians. Example Christians voting for Trump have alienated- the Latinos,

# File Type PDF Signal Grace Paperback

the Blacks & anyone who  
loves the Environment, free  
Medical & Education for all.  
And these people who dont  
want to help the  
Environment, & free Medical

are Christians. This is the

# File Type PDF Signal Grace Paperback

reason why no one wants to  
join Christianity- they see  
the Hate driven religion of  
the Right. That coupled with  
the Pedophile scandal & the  
history of Christians  
destroying the Indians, &  
the Bible belt in the south

U.S.A. fighting to retain

from the faith. Ezekiel

judge between the fat cattle  
& between the lean cattle."  
God will judge what happened  
between the nations. One of  
the problems of nations is  
pride. God in Ezekiel calls  
nations "Trees" and Satan's  
nation is a big tree. All

# File Type PDF Signal Grace Paperback

Trees drink water or  
politics to grow. The Lord  
says concerning Satan's  
tree. Ezekiel 31:3" Behold,  
the Assyrian was a cedar in  
Lebanon with fair branches,  
& with a shadowing shroud, &  
of an high stature; & his

him great..." 9: I have made  
him fair by the multitude of  
his branches; so that all

that were in the garden of  
God, envied him. 10:

Therefore thus saith the Lord God; Because thou hast lifted up thyself in height, & hath shot up his top among the thick boughs, & his heart is lifted up in his height;" God destroyed and cut down the tree. Ezekiel

31:14" To the end that none  
of all the trees by the

their height, neither shoot

stand up in their height,  
all that drink water

{politics}: for they are all delivered unto death, to the nether parts of the earth, in the midst of the children of men, with them that go down to the pit." That means- Nationalism- is evil. Christian nations do not

# File Type PDF Signal Grace Paperback

exalt themselves or have  
pride in themselves. For all  
"trees" drink water & they  
all die like men. So I tell  
the new African nation &  
other nations, dont exalt  
yourself, be humble, no  
exceptionalism. If you do

# File Type PDF Signal Grace Paperback

lift up yourself in the  
forest- garden of Eden- God  
will put you in your place  
and cut you down.

Haughtiness goes before a

S. Coming. Proverb 17:19 "

He loveth transgression that  
loveth strife: and he that

going to judge among the  
nations {cattle-xenophobic
