the shootings, who has the power and motivation to pull it off? And why? High Velocity There's a new criminal element in town and they state their arrival by knocking off a few of Vincent's men. Recker and the team get drawn into the middle of it and start investigating to learn the

File Type PDF Silencer

again for one job, Recker agrees to do the assignment once all his conditions are met. With Jones and Haley on board, the teams heads off to London to find their target. It's back to where everything started for Recker when the CIA initially tried to terminate him. But what they hope is

“ Tough talk for tough times. Silencer is both lyrical and merciless—Wicker ' s mind hums in

File Type PDF Silencer

overdrive, but with the calm and clarity of a marksman. ” —Tim Seibles, author of *One Turn Around the Sun* and finalist for the National Book Award
A suburban park, church, a good job, a cocktail party for the literati: to many, these sound like safe places, but for a young black man

File Type PDF Silencer

these insular spaces don't keep out the news—and the actual threat—of gun violence and police brutality, or the biases that keeps body, property, and hope in the crosshairs.

Continuing conversations begun by Citizen and Between the World and Me, Silencer sings out the dangers of

unspoken taboos present on quiet

professional settings, the dangers in

like sport. ” Here, the language and cadences of hip-hop and academia meet prayer—these poems are crucibles, from which emerge profound allegories and subtle elegies, sharp humor and incisive critiques. “ There is not a moment in this book when you are allowed to

File Type PDF Silencer

forget the complexities of a black man's life in America. These poems evoke so much—strength, beauty, passion, fear. There is the quiet, ironic pleasure of life on a cul-de-sac juxtaposed with the tensions of always wondering when a police officer's gun or fists might get in the

File Type PDF Silencer

way of the black body. The stylistic range of these poems, the wit, and the intelligence of them offers so much to be admired. There is nothing silent about Silencer. What an outstanding second book from Marcus Wicker. ” —Roxane Gay
“ Marcus Wicker ’ s masterful and

File Type PDF Silencer

hard-hitting second collection is exactly the book we need in this time of malfeasance, systemic violence, and the double talk that obfuscates it all... He writes the kinds of vital, clear-eyed poems we can turn to when codeswitching slogans and online power fists no longer get the job

done. These are poems whose ink is made from anger and quarter notes. They remind us that to remain silent in the face of aggression is to be complicit and to be complicit is not an option for any of us. ” —Adrian Matejka, author of *The Big Smoke* and finalist for the National Book Award

File Type PDF Silencer

and Pulitzer Prize “ Silencer is an important book of American poetry: wonderfully subtle, wholly original, and subversive. Politics and social realities aside, this is foremost a book that delights in language, how it sounds to the ear and plays to the mind. We have suburban

File Type PDF Silencer

complacency played against hip-hop resistance, Christian prayers uttered in the face of dread violence, real meaning pitted against materialism, and love, in its largest measure, set against ignorance. To say Silencer is a tour de force would be an understatement. What a work of true

File Type PDF Silencer

art this is, and what a gift Marcus Wicker has given to us. ” —Maurice Manning, author of One Man ' s Dark and finalist for the Pulitzer Prize
"Silencer disarms and dazzles with its wisdom and full-throated wit. [This] collection snaps to attention with a soundtrack full of salty swagger and a

most skillful use of formal inventions that 'll surely knock you out. Here in these pages, sailfish and hummingbirds assert their frenetic movements on a planet simmering with racial tensions, which in turn forms its own kind of bopping and buoyant religion. What a thrill to read
