The Lion and the Unicorn are symbols of the United Kingdom. They are, properly speaking, heraldic supporters appearing in the full royal coat of arms of the United Kingdom. The lion stands for England and the unicorn for Scotland. The combination therefore dates back to the 1603 accession of James I of England who was already James VI of Scotland. By extension, they have also been used in the arms of Hanover between 1837–1866 and the arms of Canada since 1921.

As Lenny's father goes off to fight in the second world war he gives his son a brass badge with a lion and a unicorn on it. Lenny keeps it with him when bombs are dropped on his street and when he has to be evacuated to a big house in the country. He misses his parents a great deal and the other children there and at school are spiteful in teasing him. But he finds a secret walled garden to escape to with a stone unicorn. Here he meets the wounded soldier Mick and learns again how hard it is to be brave. It is the unicorn who finally rescues him from his sadness and loneliness and proves itself to be his guardian angel by bringing his mother to him.

The Dance of the Lion and the Unicorn is a riveting read and a revolutionary approach to helping couples whose relationship is in trouble. It focuses on the most common dynamic of relationships that fail: One partner (lion) reacts with outbursts of anger, while the other (unicorn) tries to avoid conflict in ways that only make things worse.
