Simplified Chinese Translation Why Are So Many Jews Millionaires? Jews are estimated to make up less than 1% of the world's population, yet approximately 25% of the world's billionaires are Jewish. Jews are always found on lists of the world's richest people. In 2009, 139 of the Forbes 400 were Jewish. Jews also comprise a very large number of history's most important figures, people who have had a profound impact on humanity. Approximately 35% of Nobel Prizes have been awarded to Jews. No other ethnic group has even come close to matching the abilities and accomplishments of Jews. Since such a large percent of the wealthiest and most successful people in the world are Jewish, a common question the world over is, "Why are so many Jews so wealthy?" Their secret lies not in their genetics or intelligence, as some have believed, but in their religion. Many of the wealthiest Jews use a code based on Judaism. You do not need to convert to Judaism or believe in religion to use The Money Code. "Religion has preserved history's greatest wisdom teachings," says religious studies scholar Huston Cummings Smith. There are various methods of wealth creation; however, many are short-lived, unfulfilling, or hazardous. The ideal circumstance is to create long-lasting wealth, accompanied by peace of mind and fulfillment. This book will reveal the code that many Jews understand and use to their great advantage. The Money Code can be used by absolutely anyone to achieve long-term wealth and success in life.

In this short, powerful book, multimillionaire and bestselling author Steven K. Scott reveals King Solomon's breakthrough strategies to achieve a life of financial success and personal fulfillment. Steve Scott flunked out of every job he held in his first six years after college. He couldn't succeed no matter how hard he tried. Then Dr. Gary Smalley challenged him to study the book of Proverbs, promising that in doing so he would achieve greater success and happiness than he had ever known. That promise came true, making Scott a millionaire many times over. In *The Richest Man Who Ever Lived*, Scott reveals Solomon's key for winning every race, explains how to resolve conflicts and turn enemies into allies, and discloses the five qualities essential to becoming a valued and admired person at work and in your personal life. Scott illustrates each of Solomon's insights and strategies with anecdotes about his personal successes and failures, as well as those of such extraordinary people as Benjamin Franklin, Thomas Edison, Oprah Winfrey, Bill Gates, and Steven Spielberg. At once inspiring and instructive, *The Richest Man Who Ever Lived* weaves the timeless truths of one of our greatest works of literature into a detailed roadmap for successful living today.

Discover the secrets to a fearless, meaningful life, found in the wisdom of Jewish scripture. Today, more than ever, we act out of fear. We fear change, rejection, failure, and suffering. But what if we could find a way to live that challenges conventional Western psychology and looks to the future instead of picking over the past? What if we could replace our fear with purpose, and discover our potential for growth instead of focusing on our limits? *What Would You Do If You Weren't Afraid?* draws on a wide range of chassidus (Jewish principles) to offer a new philosophy for life. With its uplifting belief that you already have all the ingredients within and around you to lead a joyous life, this ebook will help you to reconnect with your courage and move forward freely, without fear.
