Total Baseball (latest edition ISBN 1-894963-27-X, first published 1989) is a baseball encyclopedia first compiled by John Thorn and Pete Palmer in 1989. The latest edition, published in 2004, is its eighth. The encyclopedia contains seasonal and career statistics in numerous categories for every Major League player, as well as historical, opinion, and year-by-year essays.

Total Baseball - Wikipedia

"Total Baseball" is fantastic, pure and simple. It does have its short-comings, of course (for example, I agree that full, basic fielding statistics are a necessity, especially since the authors' fielding runs statistic is very flawed; it would also be great if the book had a catalog of trades, like the "Encyclopedia" has had), but it more than makes up for these minor faults with some of the ...

A comprehensive baseball reference offers exhaustive and up-to-date information on baseball players from the nineteenth century to the present, covering statistical leaders, lifetime records of players, team lineups, and other valuable data

An official baseball resource offers prose features for fans, the twenty-five greatest games, and the records for every player in the major leagues since 1871

A comprehensive baseball reference offers exhaustive and up-to-date information on baseball players from the nineteenth century to the present, covering statistical leaders, lifetime records of players, team lineups, and other data

Total Baseball, the official encyclopedia of America's favorite sport, is a complete baseball library in a single volume. Famous for its originality and comprehensive reference value, the mammoth encyclopedia that has dazzled fans for a decade now has the amazing 1998 season between its covers. Featuring the statistical and editorial depth that has made it a must-have for fans, Total Baseball has been revised to include one of the most exciting seasons in baseball history; we know who won the home run race, but who turned in the better season -- Mark McGwire or Sammy Sosa? The sixth edition also includes Robert Creamer's special commemorative tribute to Casey Stengel and a special section on the history of the home run. With fully updated stats, records, rosters, registers, team histories, and insightful new essays, Total Baseball is the cornerstone of any baseball fan's book collection.

A comprehensive baseball reference offers exhaustive and up-to-date information on baseball players from the nineteenth century to the present, covering statistical leaders, lifetime records of players, team lineups, and other data.

First published in 1984, The Hidden Game of Baseball ushered in the sabermetric revolution by demonstrating that we were thinking about baseball stats(u2014)and thus the game itself(u2014)all wrong. This brand-new edition retains the body of the original, with its rich, accessible analysis rooted in a deep love of baseball, while adding a new introduction by the authors tracing the book(u2019)s influence over the years.

Pairing their detailed, informative research with a sophisticated anecdotal approach, Joel Zoss and John Bowman have written a fascinating, original, literate, and concise compendium of the history and issues surrounding America's national pastime. Addressedøare such diverse topics as the origins of the game, the contributions of minorities and women, the evolution of umpiring, baseball's influence on literature and music, substance abuse, on- and off-field tragedy, and the game's international presence. Diamonds in the Rough is an invaluable and stimulating resource both for those who already study the game and for those who would like to learn its revealing history.

The most entertaining and comprehensive guide to every baseball fan ' s dream road trip—including every new ballpark since the 2004 edition—revised and completely updated!
