Victoria's Wars: The Rise of Empire | Saul David | download  
Victorian Britain was both the greatest power in the world and the least militarised, with a standing army far smaller and less influential in public life than those of France, Prussia, Austria or Russia. Its military shortcomings were starkly revealed by the disastrous Crimean War (1854 – 6) and Boer Wars (1880 – 81 and 1899 – 1902).
