A Who Was...? series biography that examines the life of a world-changing philanthropist and genius, whose passion for technology led him to revolutionize personal computers through a once-tiny company called Microsoft. Simultaneous.

**#1 NEW YORK TIMES BEST SELLER** • In this urgent, authoritative book, Bill Gates sets out a wide-ranging, practical—and accessible—plan for how the world can get to zero greenhouse gas emissions in time to avoid a climate catastrophe. Bill Gates has spent a decade investigating the causes and effects of climate change. With the help of experts in the fields of physics, chemistry, biology, engineering, political science, and finance, he has focused on what must be done in order to stop the planet's slide to certain environmental disaster. In this book, he not only explains why we need to work toward net-zero emissions of greenhouse gases, but also details what we need to do to achieve this profoundly important goal. He gives us a clear-eyed description of the challenges we face. Drawing on his understanding of innovation and what it takes to get new ideas into the market, he describes the areas in which technology is already helping to reduce emissions, where and how the current technology can be made to function more effectively, where breakthrough technologies are needed, and who is working on these essential innovations. Finally, he lays out a concrete, practical plan for achieving the goal of zero emissions—suggesting not only policies that governments should adopt, but what we as individuals can do to keep our government, our employers, and ourselves accountable in this crucial enterprise. As Bill Gates makes clear, achieving zero emissions will not be simple or easy to do, but if we follow the plan he sets out here, it is a goal firmly within our reach.

## Get Free Who Is Bill Gates Who Was

"Our slogan from the very beginning was 'a computer on every desk and in every home.'" "For me to become gun-shy might require surgery." An icon more powerful than anything on a Windows screen, Bill Gates today stands atop his fabled Microsoft fortress staring down competitors' threats and injunctions from an annoyed U.S. Justice Department. The kind of success Gates has created rarely escapes criticism. And Bill is getting more than his share. The story of how this Harvard dropout created the operating system that would become the worldwide standard for millions of computers is legendary. And equally legendary has been the take-no-prisoners tactics of his corporate colossus, Microsoft. We've witnessed Gates's transformation from a geeky wunderkind into a business titan. Whether admired or detested, glorified or vilified, Gates is a household name and a worldwide curiosity. Bill Gates Speaks discloses what Bill Gates has to say on everything from financing a start-up to running a conglomerate, developing technology to raising a family, and growing his business to expanding his personal wealth. Drawing on quotes culled from speeches, articles, essays, newscasts, and interviews, this unique book weaves all of this information into a compelling and easy-to-read biography. Here is just a sample of what you'll find inside: \* "My parents weren't all that excited about their son announcing he was dropping out of a fine university to start a business in something almost nobody had heard of called 'microcomputers.'" \* "I think business is very simple. Profit. Loss. Take the sales, subtract the costs, you get this big positive number. The math is quite straightforward." \* "I envy people who thrive on three or four hours of sleep a night. They have so much more time to work, learn, and play." \* "We never waste a lot of time talking about what we're doing well. It just isn't our culture. Every meeting is about 'Sure, we won in seven of the categories, but what about that eighth category?'" \* "The

PC industry is the model industry in the entire economy. The rate of innovation, the openness—all of these things are just fantastic. And Microsoft's role in creating this has been absolutely fundamental." The world listens when Bill gates speaks "I'm not competent to judge his technical ability, but I regard his business savvy as extraordinary. If Bill had started a hot dog stand, he would have become the hot dog king of the world." -Warren Buffett "It is still possible to be a Vanderbilt, an Astor, a Rockefeller. You can still do that, you can be Bill Gates." -David Geffen "Everybody is waiting for this guy to slip. He hasn't slipped, and there's very little chance that he will. Everything that he keeps his hands in will work, and he will win." -Alan Kerr, Ogilvy & Mather "Love him or hate him, but you can't ignore him." -Fortune

An inspiring collection of the personal philosophies of a group of remarkable men and women Based on the National Public Radio series of the same name, *This I Believe* features eighty essayists—from the famous to the unknown—completing the thought that begins the book's title. Each piece compels readers to rethink not only how they have arrived at their own personal beliefs but also the extent to which they share them with others. Featuring a well-known list of contributors—including Isabel Allende, Colin Powell, Gloria Steinem, William F. Buckley Jr., Penn Jillette, Bill Gates, and John Updike—the collection also contains essays by a Brooklyn lawyer; a part-time hospital clerk from Rehoboth, Massachusetts; a woman who sells Yellow Pages advertising in Fort Worth, Texas; and a man who serves on the state of Rhode Island's parole board. The result is a stirring and provocative trip inside the minds and hearts of a diverse group of people whose beliefs—and the incredibly varied ways in which they choose to express them—reveal the American spirit at its best.

A biography of the man who created Microsoft, from his childhood to his current role running the Bill & Melinda Gates Foundation.

A biography of Bill Gates including his childhood, his early work in computers, the founding of Microsoft and the expansion of the company, his private life, and future prospects.

Bill Gates, more commonly known as the founder of Microsoft and richest man on the planet for almost two decades, has been defined by most people by the number that represented his wealth. We will not do that here. We will, instead, look at the man beneath the public persona of mistaken assumptions and biased opinions to reveal what makes the man tick and what makes him do something that had never been done before. Find out if a number of the prevalent myths about him are true: Did he steal technology? Did he get arrested? What did he initially think of Warren Buffet? These and a number of lesser known facts of Bill Gates are presented here in detail with observations and analysis to help you unpack the complex life of a simple man. Once you see the life that he has led and the skills that he brought to the table, you should be able to find the same packet of ingredients within you and hopefully make your mark on this world. We look at his parents and how they influenced his career, we look at how they raised him and the kinds of trouble he got into as a kid. Bill Gates is a profound man who sees things differently and works at that with an energy that is uncommon. He is a genius by intellect and a highly focused individual who has no patience for sleep and wasting time. Come on in and take a look at the life of one of the world's most known individuals. Don't wait any

The father of one of the most successful businessmen in history conveys the values and principles he has learned in life and instilled in his children.

Chronicles the career of "Chairman Bill" Gates, the computer whiz kid who commands the powerful Microsoft computer software empire.

The cofounder of Microsoft, Bill Gates helped transform society by ushering in the era of ubiquitous personal computing. This book examines the life and achievements of this standout American inventor and philanthropist. Bill Gates has been instrumental in creating and developing the home computing era that has thoroughly transformed nearly every aspect of our lives, from work to commerce to communication. Stepping down as CEO of Microsoft in 2000 after 25 years at the helm, he remained as chairman, a position he still holds. This book paints a vivid picture of Bill Gates that covers his early life and his years as an inquisitive and adventurous student to his experiences as a budding entrepreneur and billionaire philanthropist who has often been listed among the richest individuals in the world. Author Michael Beecraft presents complete information on how Microsoft evolved, from the company's inception until Gates's departure from active leadership; documents the economic, ethical, financial, legal, management, and leadership applications inherent in Gates's work; and examines the criticism that Gates's actions and decisions have drawn throughout his career. • Provides a balanced and unbiased account of Bill Gates that includes his own writings as well
