This best-selling text covers basic principles in human geography. It follows a thematic approach that emphasizes where people and human activities are located, why they are located in particular places, and what significance these observed arrangements represent. The revised sixth edition has been reworked to strengthen coverage of ethnicity, local diversity, and the "where and why" framework of the book.

A "week one, day one" kind of teacher's manual with daily geography drills and numerous weekly assignment choices that include: mapping activities, atlas usage, research, notebooking and culture. Daily drills at 3 different levels for versatility and multi-year usage. Students learn to recognize important characteristics and traits of each continent, read and create maps, identify key geographical terms and more. Finish up the year by reading Around the World in 80 Days, by Jules Verne. This course lays a solid foundation of world geography for students 2nd grade and up.
